Sapporo

都市と自然が共存する札幌。春には多くの花が咲き、夏はさわやかな気候の中でビアガーデンが開かれ多くの人でにぎわいます。秋は山や街路樹の木々が紅葉の季節を迎えると同時に北海道の食材が豊かに揃う季節になります。旬の食材が味わえる人気のレストランも数多くあります。冬は、まちが雪に覆われ、白世界に変わります。雪の中のイルミネーションや雪や氷の雪像がならぶ雪まつり、札幌市の郊外にはアイスホテルが創られます。モエレ沼公園での挙式など二人だけのための結婚式のプロデュースも行います。

Sapporo where city and nature coexist.

Many flowers are blooming in the spring, beer garden is opened in the refreshing climate in the summer, and many people are crowded. In autumn, as the trees of mountains and street trees reach the season of autumnal leaves, it becomes the season when Hokkaido's ingredients are packed richly. There are many popular restaurants where you can taste the seasonal ingredients.

In the winter, the town is covered with snow, turning into a white world. The snow festival which the illumination in the snow and the snow image of the snow and ice come together, the ice hotel is created in the suburbs of Sapporo city.

We will also produce a wedding ceremony for only two people including wedding ceremony at Moerenuma Park. ◆
